

October 30, 2023

Dear President Biden,

On behalf of Holocaust survivors and their families, thank you for your continued support of Israel. We are honored to share with you the following letter signed by 2,486 people. This includes 870 Holocaust survivors, 952 children of Holocaust survivors, 606 grandchildren of Holocaust survivors, and 58 great grandchildren of Holocaust survivors. In addition to signing the letter, some Holocaust survivors and their caregivers have sent us individual letters and photos, which we are also sharing with you.

These Holocaust survivors appreciate your consistent, vocal support and friendship with the Jewish people and your efforts to fight antisemitism. We hope you will take to heart the guidance from Holocaust survivors, who are the embodiment of resilience and courage and the greatest teachers of the dangers of antisemitism.

Sincerely,

Shelley Rood Wernick

October 30, 2023

Dear President Biden,

We are Holocaust survivors, children of Holocaust survivors, grandchildren of Holocaust survivors, and great grandchildren of Holocaust survivors living in the United States, and we write to thank you for strongly supporting Israel in its time of need. Holocaust survivors lived through the worst of human capability. We witnessed the murder of our families, our communities, and the near annihilation of the Jewish people. We chose the United States as our home, rebuilt our lives, and worked tirelessly to share our most painful experiences so the Holocaust would never occur again. We fought for the rights of all people to live in peace.

Yet, the Jewish people have been massacred again. We are mourning and grieving the loss from the attacks of October 7, 2023, in which Hamas terrorists killed more than 1,400 people and abducted more than 200 innocent civilians in Israel. The trauma runs deep. The terrorists went home to home, family to family, killing and torturing with no regard for human life, just as the Nazis did.

But today is different. Today we have Israel. Today we have the United States of America and a President willing to support the State of Israel and denounce antisemitism at home and abroad. Your unwavering affirmation of Israel's right to defend itself is meaningful to us. President Biden, we thank you, and we need your continued support to ensure that Israel recovers from this tragedy and emerges stronger than before. The United States and Israel have a shared destiny, united in our love for humanity and our belief in a brighter future. Thank you for standing with us and with the people of Israel.

Sincerely,

Holocaust Survivors
