Keeping our nation safe

Only a Gas Safe registered
engineer has the superpower
to fit, fix or service your gas
appliances safely and legally.

GasSafetyWeek.co.uk

Keep your home safe

Gas Safe Register is the official list of gas engineers who are qualified to work safely and legally on gas appliances.

Check your gas appliances every year. Gas appliances should be safety checked once a year and serviced regularly by a Gas Safe registered engineer. Tenants – make sure your landlord arranges this.

Check your engineer is Gas Safe registered. You can find and check an engineer at www.GasSafeRegister.co.uk or call 0800 408 5500.

Check your engineer's Gas Safe Register ID card. Make sure they are qualified for the work you need doing. You can find this information on the back of the card.

Domestic	Gas	LPG	Non-Domestic	Gas	LPG
Pipework	31/03/19	31/03/19			
Cooker	31/03/19	31/03/19			
Fire	31/03/19	31/03/19			
Water Heater	31/03/19	31/03/19			
Gas Boiler	31/03/19	31/03/19			
Comb Analysis	31/03/19	31/03/19			
The cardholder is deemed competent only in the categories of work identified by a date.					3456789

Unsafe gas appliances can put you at risk from carbon monoxide poisoning, gas leaks, fires and explosions. Find out how safe your area is and set a reminder to get your appliances checked at www.staygassafe.co.uk
