The Health & Safety Event - Expo & Educational Programme - 10-12 April 2018 at The NEC, Birmingham. (This is a Free Event.)

To: All Branches

Dear Colleagues,

The Health and Safety Event has been developed to suit anyone responsible for health and safety at work. Uniquely co-located with The Fire Safety Event and The Facilities Event, The Health & Safety Event is an Exhibition plus an educational and networking opportunity for anyone responsible for or involved in the running of a safe and efficient workplace, anywhere in the UK. You can keep up-to-date with changes in legislation, join debates, hear from safety experts, receive 1-to-1 practical advice from suppliers and experience the very latest in safety equipment and technology.

The Health and Safety Event is a combination of a Health and Safety Expo plus Health and Safety Educational Seminars on a range of Health and Safety Subjects with various experts and specialists involved. It has been developed to suit anyone responsible for health and safety at work.

The event is FREE to attend and top Health and Safety manufacturers and suppliers take part in the Expo offering products and advice.

The organisers working with the British Safety Council create the educational part of the event for visitors. Alongside the Free Conference content and access to over 300 respected vendors and suppliers across three shows, there are further features: The Safety Dialogue Theatre, The Safer Logistics Theatre, NEBOSH Education Pavilion and The Safety & Health Excellence Awards.

Educational Programme & Event Features 2018

The Health & Safety Event 2018 features a whole new range of educational content, legislation updates and interactive sessions from leading experts in the industry including the brand new Lone Worker Theatre. Your free visitor badge gives you access to all CPD qualifying educational content, delivered in partnership with the UK's safety professional organisations.
