

Botvin Life Skills Training

Evidence-Based Prevention Programs for Schools, Families, and Communities

A full-day training. The Botvin *LifeSkills Training* Middle School program is a groundbreaking substance abuse and violence prevention program based on more than 35 years of rigorous scientific research. Proven to be the most effective evidence-based program used in schools today, *LifeSkills Training* is comprehensive, dynamic, and developmentally designed to promote positive youth development. In addition to helping kids resist drug, alcohol, and tobacco use, the *LifeSkills Training* Middle School program also effectively supports the reduction of violence and other high-risk behaviors.

Participants will:

LifeSkills Provider Training workshops are designed to:

1. Review the background theory, research and rationale behind the LST program
2. Familiarize participants with the *LifeSkills* curriculum
3. Teach participants the skills needed to successfully conduct the LST program
4. Discuss practical implementation issues
5. Provide an opportunity to practice teaching selected portions of the *LifeSkills* curriculum.
