<sup>1</sup> A school is eligible for severe need reimbursement if 40 percent or more of the student lunches served at the school in the second preceding school year were served free or at a reduced price. Severe need payment is made on an individual school basis. Documentation of eligibility must be kept on file by the SFA for periodic review. Severe need breakfast eligibility determination is part of the annual DPI School Nutrition Team online contract renewal. Due to the COVID-19 pandemic, USDA Memo [SP 02-2023](#) allows flexibility on the year used to qualify.

<sup>2</sup> USDA regulations require that the reduced price charge to students does not exceed 30 cents for breakfast.

<sup>3</sup> For additional information about these funds, please reference the [State Aid Payments Received in May 2023](#) memos. Independent Charter schools, Residential Childcare Institutions (RCCIs), Wisconsin Technical College System schools, and the two State-run schools are not eligible for the State breakfast payment.

Per [SP 02-2023](#) due to COVID, SFAs that operated NSLP in 2022-23 will use data from Sept-Nov 2022 to establish eligibility.

<sup>2</sup> In Wisconsin, following initial [Menu Certification](#), all SFAs receive Performance Based Reimbursement (PBR), an additional \$0.08 per meal. However, PBR may be disabled due to noncompliance with regulations.

<sup>3</sup> USDA regulations require that the reduced price charge to students does not exceed 40 cents for lunch.

<sup>4</sup> Residential Child Care Institutions (RCCIs) and Wisconsin Technical College System schools are not eligible for the State lunch aid payment.
