

2024 THE CLIFF IS COMING...

Regional Sessions for
Continued Recovery

Are you prepared for the end of ESSER? Do you know which interventions, programs, and investments have worked best for your students? Will your PSU face a steep fiscal cliff? The OLR team is ready to work through these questions and more with your PSU team through a new set of tools and data sets. All sessions will begin at 10:00 AM and conclude at 3:30 PM. **Each district can bring up to 6 representatives and each charter can bring up to 3 representatives.**
