

Welcome to the College of Engineering at Virginia Tech! We are excited to have you as part of our incoming class and to be a part of your academic journey. Completing our Virtual Academic Advising and Course Registration is the first step, the following message will include many important details about this process and how to best prepare.

Our Virtual Academic Advising and Course Registration will take place between December 4 and January 11. You will receive additional instructions on what is included and required for your specific major on December 4 from an academic advisor.

For now, we encourage you to do the following to assist with your onboarding process:

1. **Bookmark the [Engineering Orientation: Virtual Academic Advising and Course Registration](#) website**
 - Review the timeline, mark your calendar for an overview session, and carefully review the engineering orientation resources.
2. **Complete all items on the [Engineering Orientation Checklist](#)**
 - Send all official high school, college, and university transcripts
 - Send all years of official score reports for AP, IB, CLEP, etc.
 - Complete a self-evaluation of transfer credits
 - Look up your academic advisor assignment on HokieSpa
3. **Check your VT email daily**
 - Email can get overwhelming, check it daily and create a system that works for you to keep up with information and deadlines.

We look forward to meeting you. If you have any immediate questions, please respond to this email.

Dr. Marlena Lester
Director of Advising
College of Engineering Academic Affairs
