

# HOW IT WORKS

VIEW, ORDER AND TRACK YOUR PHOTOS RIGHT FROM YOUR PHONE.

Once the full list of student info is loaded into the pre-sale gallery you will receive an email with a unique code for your child. You can use the link or text the unique access code provided to 90738, and we'll share everything you need to know about your child's picture day!

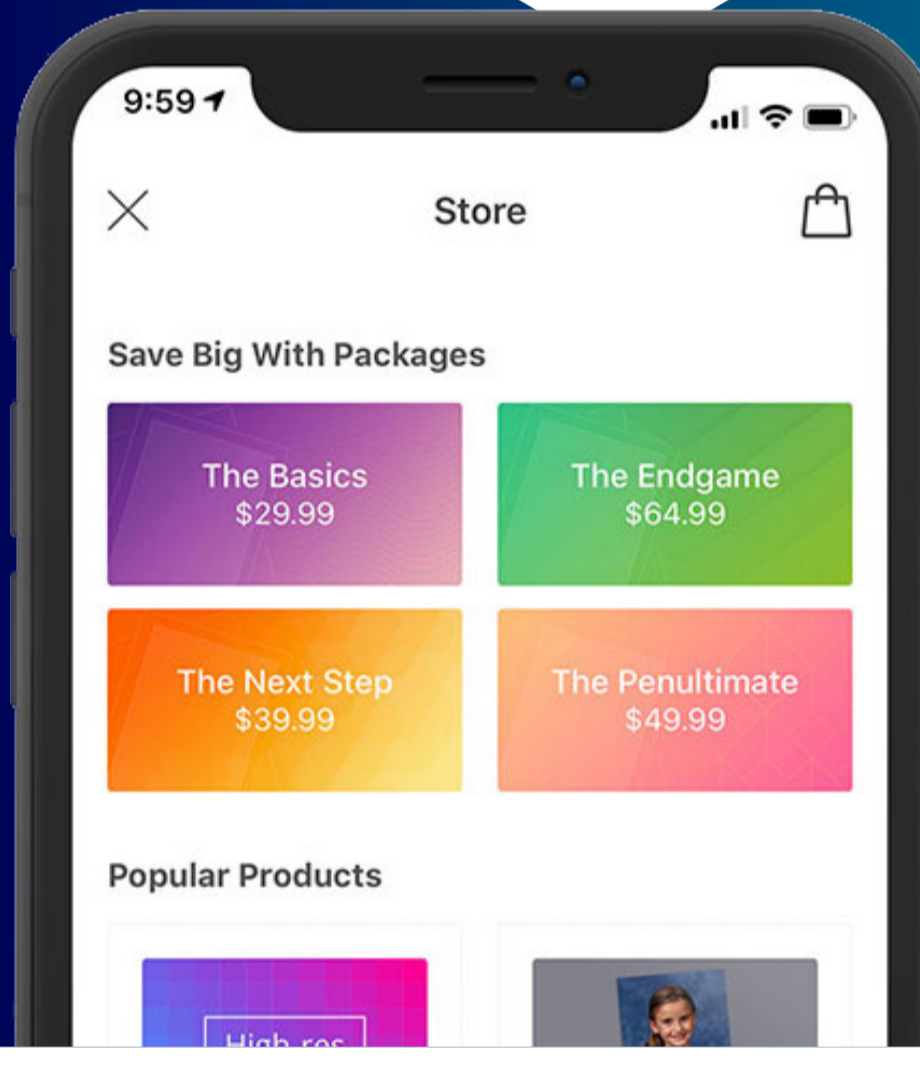

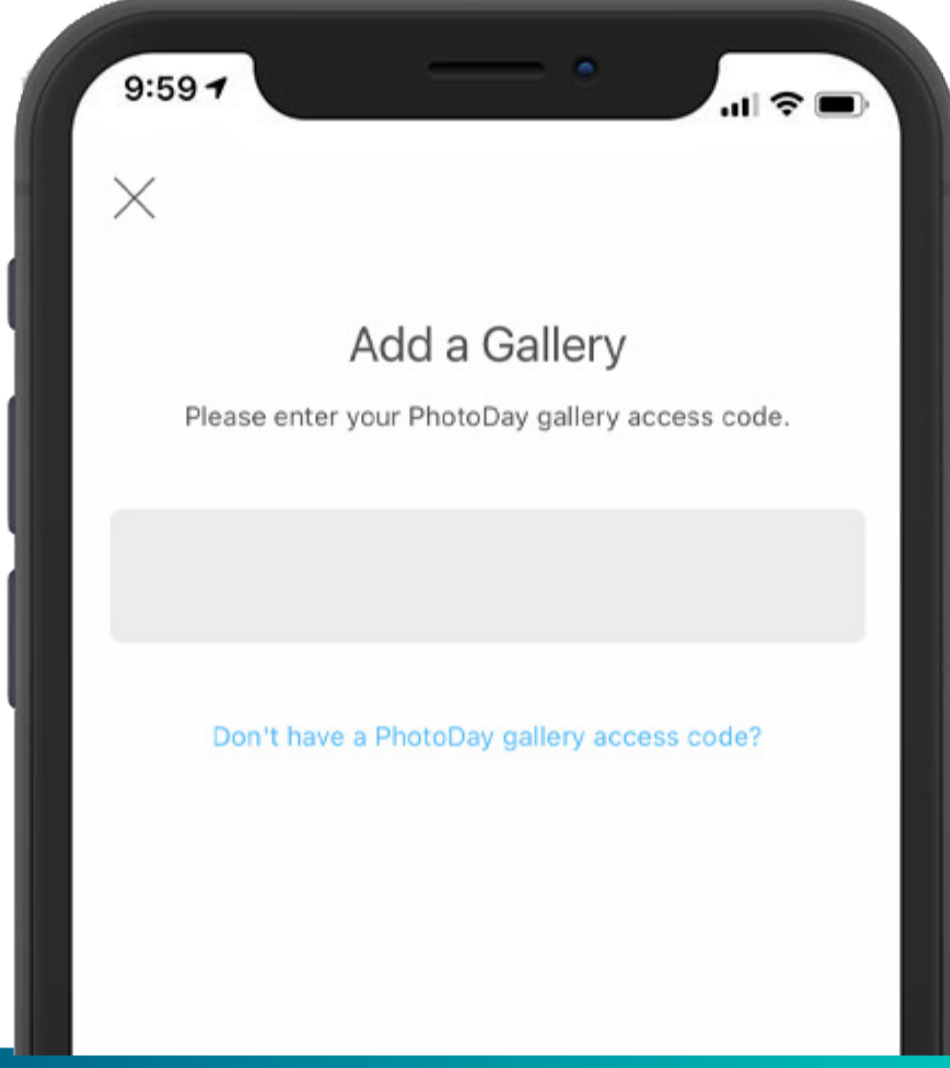

Before picture day, you'll get a text from us with a link to purchase an AdvancePay credit. You can use the app or a web browser to access the pre-sale to take advantage of discounts and promotions! Any purchased credits will be securely tracked using your mobile phone number. If needed, you can share the code with family and they can get their own discounts!

On picture day, you don't need to worry about anything other than making sure your child is there on time and picture-ready! When it's time to view your photos, you'll get a text with a link to the photo gallery. You'll be reminded of your AdvancePay credit and any applicable coupon codes.

Quickly find your photos. Use the unique code provided or narrow down the gallery using FaceFind™ or tags. Or view them all!

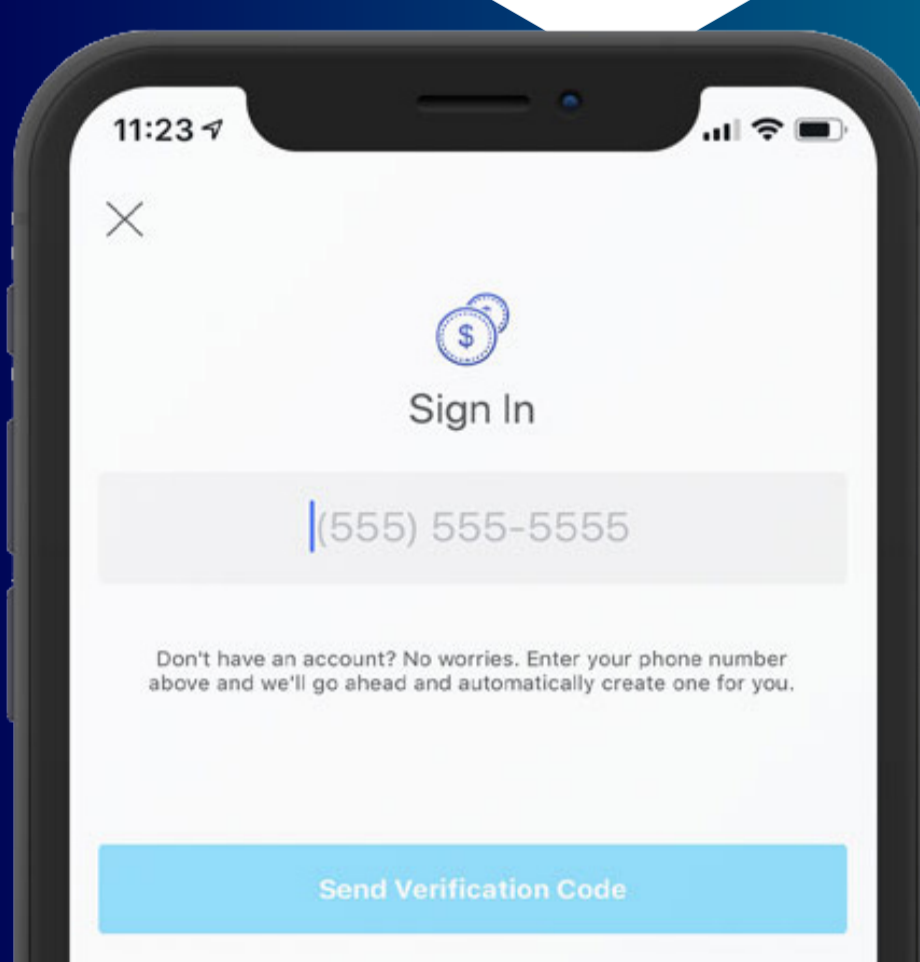

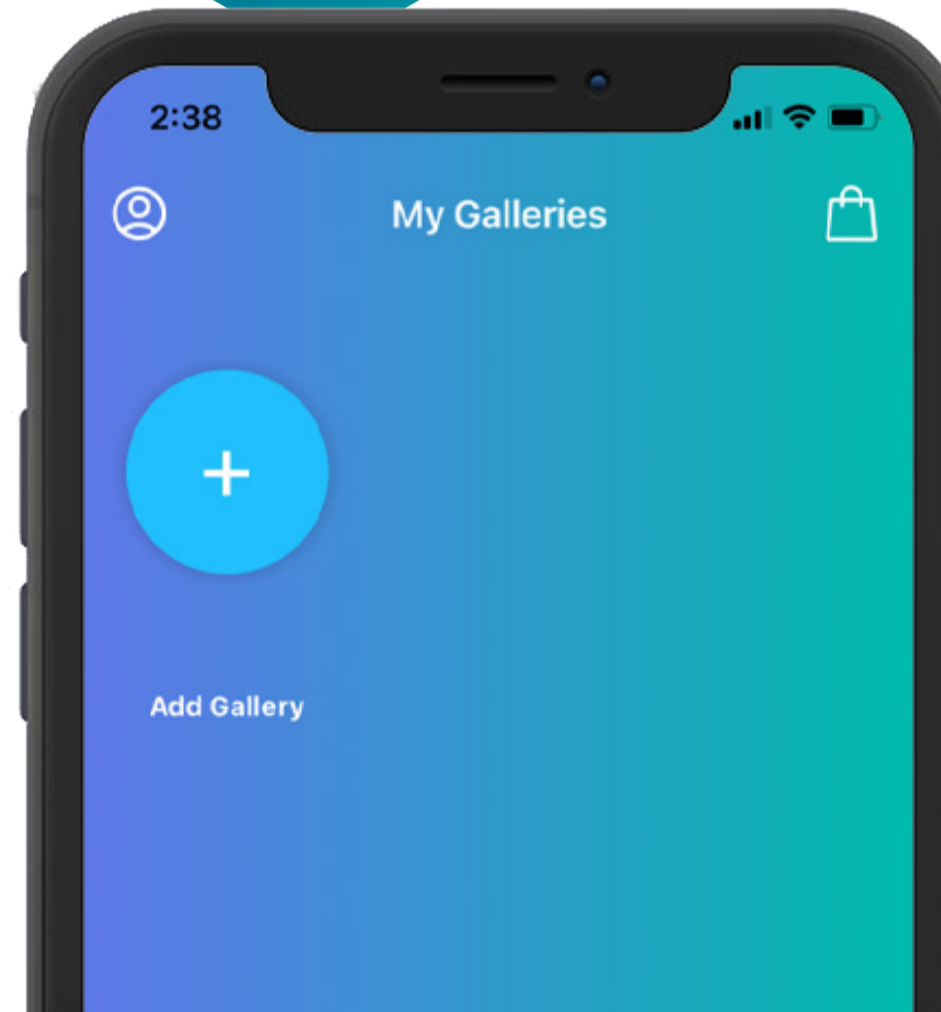

*Note: Not all galleries have all search options. If you have more than one child and code you can add additional galleries and checkout once!*

When you're ready to start shopping for products to match with your favorite photos, tap Shop Now. Select a package or a single product. In this example, we're going to select a package. You can view the contents of the package and begin customizing the individual products in the package.

Crop and swap photos, choose themes, and add text in just a few simple taps. Once you have your products the way you want them, add the package to your shopping cart. If you have another child you need to shop for, you can add a new gallery for them now!

*Note: Themes & text only apply to select products.*

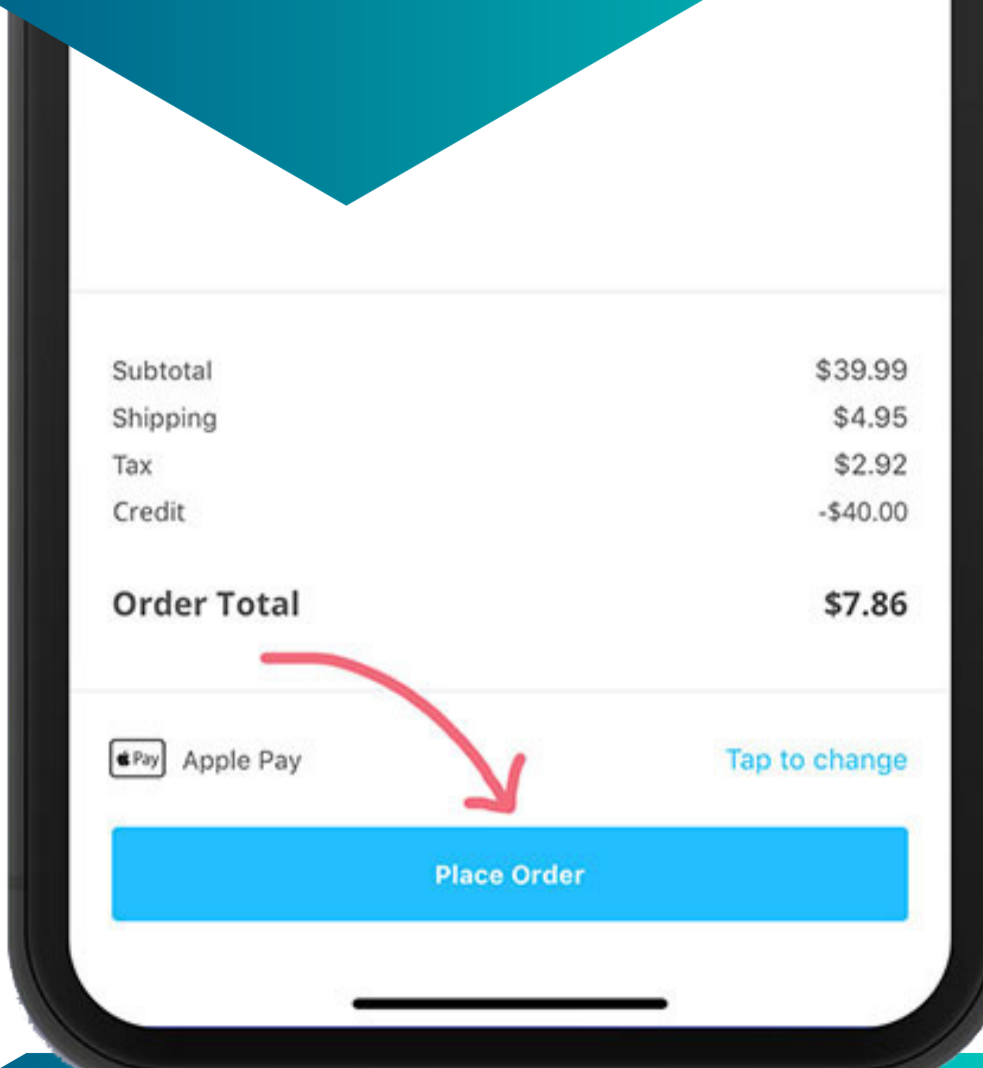

In your cart, you can edit your selection, adjust the quantity of items, continue shopping, or checkout when you're ready. Remember that AdvancePay credit? Be sure to sign in using the same mobile number you used to purchase the credit. Your credit amount will automatically apply to your total.

Fill out your contact and delivery info, choose a shipping method, and apply any coupon codes you received.

Now, simply enter your payment method, and hit the "Place Order" button. And you're done!

We'll let you know when your order has shipped via text. *Happy shopping!*

**SEE YOU ON PICTURE DAY!**
