Dear Parent/Guardian:

The purpose of this letter is to provide information regarding the registration process for the upcoming fall season for high school athletics. Fall 2021 interscholastic athletics online registration through the ParentVUE Portal, opening on July 12, 2021.

The ParentVUE online registration portal, available in English and Spanish, incorporates all required paper forms and documents into an internet-based platform that you can access using your secure ParentVUE Portal login. Parents/guardians are also able to scan and upload their student's physical as part of the registration process. Following are some important dates and action items regarding the registration process for the upcoming fall sports season.

Date	Action Item
Now	Students should complete their pre-participation physical (MCPS Form SR-8) so that the medical eligibility form (last page of SR-8) is ready for online submission via the ParentVue Portal or for email submission to the local school athletics specialist prior to tryouts/practices. This form is valid for one year (for high school athletes) from the date of the exam and covers participation for all sports within that time period. This form must be completed and/or on file before a student-athlete can participate. All new physicals as of July 20, 2020, must include the COVID-19 supplemental information.
Now	Parents/guardians should confirm access to the ParentVUE portal . Parents/guardians received the ParentVUE account activation letter at the beginning of this school year. Parents/guardians who need login information should contact the registrar at their local school.
July 12	The ParentVUE Fall Athletics Registration portal opens for parents/guardians. Information regarding the ParentVUE login portal is available on the MCPS website .
August 11	Fall sports tryouts/practices may begin.

Additional information is available on the MCPS athletics website and on local school athletic department websites. During the online registration process, schools will provide access to computers for families in need of assistance. Thank you in advance for your support, as we strive to provide a smooth registration experience for all stakeholders across the MCPS athletics program.

Sincerely,

Jeffrey K. Sullivan, Ed.D.
