

2023 – 2024 Pavement Improvement Program

***Rehabilitation and Reconstruction Projects
on the Farm to Market Secondaries and
Neighborhood Streets***

2023-2024 Pavement Improvement Program

I certify that the projects recommended on the following pages for the 2023-2024 Pavement Improvement Program were selected utilizing ranking processes that are based on objective and quantifiable factors, comply with the Ten-Year Plan, support the performance targets established in the Transportation Asset Management Plan and utilize a county by county distribution of paving funds in order to ensure that every county of the state is guaranteed paving funds.

The additional 877+ miles of paving projects contained in 2023-2024 Pavement Improvement Program (including 510+ miles of 2023-2024 Major Road/Primary Pavement Improvement Program approved in May 2022) will be added to the previously approved 6,171+ miles of paving projects advanced since the implementation of Act 40 of 2017 and incorporated into the "New Gas Tax Trust Fund" transparency and accountability reports.

A handwritten signature in blue ink, reading "Christy A. Hall 5/1/23", is written over a horizontal line. The signature is fluid and cursive, with the date "5/1/23" written to the right of the name.

Christy A. Hall, P.E.
Secretary of Transportation
