LIBERTY PAGE

Lecturer
Computer Science

Friday, February 5 - 11:00am-12:00pm

Zoom: <https://unewhaven.zoom.us/j/97335224537>

Looking for ways to stimulate discussion in your class? It can be a challenge to incite participation in a traditional classroom, let alone in hybrid, flex or fully online classes. In this discussion-based workshop, you'll learn and experience how colleagues across the campus have succeeded in increasing participation in their courses.
