

February is Heart Month!!

Blood Drive For Children's National Hospital Sponsored by Lakewood Elementary PTA

Did you know....

- As a result of the pandemic, blood donations dropped by 60 percent?
- There is now a nationwide blood and platelet shortage, including at Children's Hospital?
- One unit of blood you donate can help 4-5 children?
- If you are willing to donate directly at Children's, your blood can help address the shortage immediately, this month!

When: February 7, 8 and 24

Where: Children's National Hospital
111 Michigan Ave, NW, Washington DC

How: (1) Pre-register to donate
and/or
(2) Volunteer to drive others

Details on reverse

Blood Drive

For Children's National Hospital

Sponsored by Lakewood Elementary PTA

Appointment strongly recommended to ensure that donor center has sufficient staff on that day. Click below and select tab for whole blood or platelets. For additional donation dates, contact the blood donor center.
