Subsection (e) was generally amended by Pub. L. 100-449, 102 Stat. 1868, Sept. 28, 1988. Subsequently, Pub. L. 103-465, 108 Stat. 4973, Dec. 8, 1994, deleted subsection (e), and also struck "staining," before "cleaning, labeling" in two places in subsection (a). See footnote 10, second paragraph.

within twelve months from the date of notice of such refusal shall be destroyed in accordance with joint rules and regulations prescribed under section 402 of this Act; Provided, That the Secretary of the Treasury may authorize the delivery of seed or screenings which are being imported or offered for import to the owner or consignee thereof, pending decision as to the admission of such seed or screenings and for straining, cleaning, labeling, or other reconditioning if required to bring such seed or screenings into compliance with the provisions of this Act, upon the execution by such owner or consignee of a good and sufficient bond conditioned upon redelivery of the seed or screenings upon demand unless redelivery is waived because the seed is reconditioned to bring it into compliance with this Act or is destroyed under Government supervision under this Act, and providing for the payment of such liquidated damages in the event of default as may be required pursuant to regulations of the Secretary of the Treasury: And provided further, That all expenses incurred by the United States (including travel, per diem or subsistence, and salaries of officers or employees of the United States) in connection with the supervision of staining, cleaning, labeling, other reconditioning, or destruction, of seed or screenings under this title shall be reimbursed to the United States by the owner or consignee of the seed or screenings, and such reimbursements shall be reccredited to the appropriation from which the expenses were paid, the amount of such expenses to be determined in accordance with joint regulations under section 402 of this Act, and all expenses in connection with the storage, cartage, and labor on the seed or screenings which are refused admission or delivery, shall be paid by the owner or consignee, and in default of such payment shall constitute a lien against future importations made by such owner or consignee.

(b) The refuse from any seeds or screenings which are allowed to be cleaned under bond shall be destroyed in accordance with joint rules and regulations prescribed under section 402 of this Act.

(c) The provisions of this title shall not apply--

(1) when seed is shipped in bond through the United States, or

(2) when the Secretary of Agriculture finds that a substantial proportion of the importations of any kind of seed is used for other than seeding purposes, and he provides by rules and regulations that seed of such kind not imported for seeding purposes shall be exempted from the provisions of the Act; Provided, That importations of such kinds of seed shall be accompanied by a declaration setting forth the use for which imported when and as required under joint rules and regulations prescribed under section 402 of this Act. (7 U.S.C. 1582)

(d) The provisions of this title prohibiting the importation of seed shall not apply--

(1) when seed grown in the United States is returned from a foreign country without having been admitted into the commerce of any foreign country: Provided, That there is satisfactory proof as provided for in the joint rules and regulations prescribed under section 402 of this Act, that the seed was grown in the United States and was not admitted into the commerce of a foreign country and was not commingled with other seed, or

(2) when seed is imported for sowing for experimental or breeding purposes and not for sale: Provided, That declarations are filed, and importations are limited in quantity, as provided for in the rules and regulations prescribed under section 402 of this Act, to assure that the importations are for experimental or breeding purposes.

#### **CERTAIN SEEDS NOT ADAPTED FOR GENERAL AGRICULTURAL USE**

Sec. 303.<sup>12</sup> Whenever the Secretary of Agriculture, after a public hearing, determines that seed of alfalfa or red clover from any foreign country is not adapted for general agricultural use in the United States, the Secretary shall publish the determination and the reasons for the determination. (7 U.S.C. 1585.)

<sup>12</sup> Pub. L. 97-439, 96 Stat. 228, dated January 3, 1983, repealed sections 303 and 304 (7 U.S.C. 1583 and 1584), which provided definitions of when imported seed is considered adulterated or unfit for seeding purposes, and redesignated section 305 and 306 as sections 303 and 304, respectively. Sec. 441 of Pub. L. 103-465, 108 Stat. 4973, Dec. 8, 1994, struck former section 303 (7 U.S.C. 1585) that related to a requirement that certain seeds containing alfalfa and/or red clover be stained and inserted a new section 303. (3) any seed which is prohibited entry under the provisions of this Act.

(b) To make any false or misleading representation with respect to any seed subject to this title being imported into the United States or offered for import: Provided, That this subsection shall not be deemed violated by any person if the false or misleading representation is the name of a variety indistinguishable in appearance from the seed being imported or offered for import and the records and other pertinent facts reveal that such person relied in good faith upon representations with respect to the name of the indistinguishable variety made by the shipper of the seed. (7 U.S.C. 1586.)

At any time prior to the close of the hearing the Secretary of Agriculture may amend the complaint; but in case of any amendment adding new provisions the hearing shall, on the request of the person, be adjourned for a period not exceeding fifteen days.

(b) If, after such hearing, the Secretary of Agriculture finds that the person had violated or is violating any provisions of the Act or rules and regulations covered by the charges, he shall make a report in writing in which he shall state his findings as to the facts, and shall issue and cause to be served on the person an order requiring such person to cease and desist from continuing such violation. (7 U.S.C. 1599.)

Sec. 410.<sup>16</sup> An order made under section 409 shall be final and conclusive unless within thirty days after the service the person appeals to the court of appeals for the circuit in which such person resides or has his principal place of business by filing with the clerk of such court a written petition praying that the Secretary's order be set aside or modified in the manner stated in the petition, together with a bond in such sum as the court may determine, conditioned that such person will pay the costs of the proceedings if the court so directs.

The clerk of the court shall immediately cause a copy of the petition to be delivered to the Secretary, and the Secretary shall thereupon file in the court the record in such proceedings, as provided in section 2112 of title 28, United States Code. If before such record is filed, the Secretary amends or sets aside his report or order, in whole or in part, the petitioner may amend the petition within such time as the court may determine, on notice to the Secretary.

The court may affirm, modify, or set aside the order of the Secretary. If the court determines that the just and proper disposition of the case requires the taking of additional evidence, the court shall order the hearing to be reopened for the taking of such evidence, in such manner and upon such terms and conditions as the court may deem proper. The Secretary may modify his findings as to the facts, or make new findings, by reason of the additional evidence so taken, and he shall file such modified or new findings and his recommendation, if any, for the modification or setting aside of his order, with the return of such additional evidence.

If the court of appeals affirm or modifies the order of the Secretary, its decree shall operate as an injunction to restrain the person and his officers, directors, agents, and employees from violating the provisions of such order or such order as modified. (7 U.S.C. 1600.)

Nothing in this Act shall be construed as requiring the Secretary of Agriculture to recommend prosecution or institution of civil penalty proceedings, libel proceedings, cease-and-desist order, for minor violations of this Act of the rules and regulations made and promulgated thereunder whenever he believes that the public interest will be adequately served by suitable written notice or warning. (7 U.S.C. 1602.)

Upon refusal by any person to appear, testify, or produce pertinent books, records, accounts, memoranda, and papers in response to a subpoena, or to permit access to premises, the proper United States district court shall have power to compel obedience thereto.

(b) Witnesses summoned before the Secretary or any officer or employee designated by him shall be paid the same fees and mileage that are paid witnesses in the courts of the United States, and witnesses whose depositions are taken and the persons taking the same shall severally be entitled to the same fees as are paid for like service in the courts of the United States.
