Natural Gas and Oil Fuels Oklahoma's Economy and Workforce

Access to natural gas and oil development will be a key driver of the post-pandemic recovery in Oklahoma. **The industry supported nearly 390,000 Oklahoma jobs, provided over \$32.7 billion in wages and contributed more than \$57.6 billion to the state's economy in 2019**, according to a study conducted by PricewaterhouseCoopers (PwC) that compiles the latest available government data.

JOB OVERVIEW

From petroleum engineers and truck drivers to contractors and manufacturers, the natural gas and oil industry supports a wide range of jobs across the Oklahoma economy. Research shows that every direct job in the natural gas and oil industry generates an additional 1.9 jobs in Oklahoma.
