

Canvas LTI Advantage Integration – Instructor Workflow

Before you begin, please have your existing Connect section ready.

Prepare your Existing Canvas Section

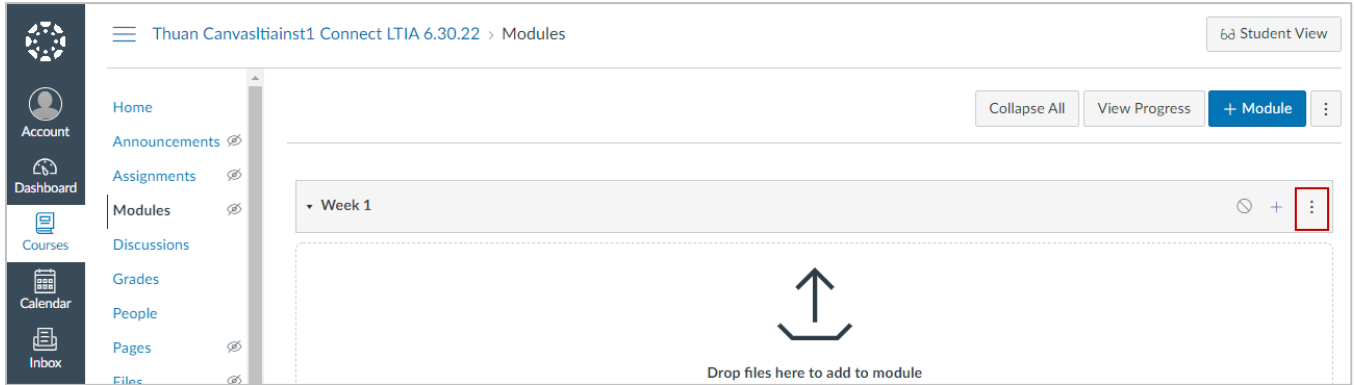

1. Log in to Canvas and navigate to your course.
2. Open the **Assignments** area.
3. Individually delete each existing Connect assignment link.
 - a. NOTE: Please be sure to check every folder for Connect assignment links. Any links not deleted will no longer work when the course is paired via LTI Advantage.

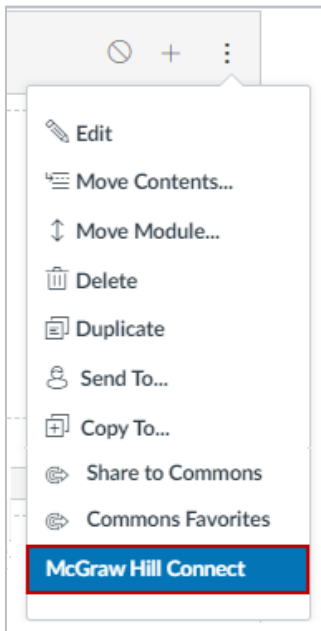

4. Open **Grades**.
5. Delete any remaining Connect assignment links and gradebook columns in your Canvas course.

Pair with Existing Connect Account and Existing Section

1. Login to Canvas.
2. Go into **Modules** in the left navigation and click on the three dots for the module you want to deploy the assignment(s) to.

3. Select **McGraw Hill Connect**.

4. Click **Begin**.

You have paired your Canvas course with Connect!

Thuan Canvasltiainst1 Connect LTIA 6.30.22

< Back to Canvas

6.30.22

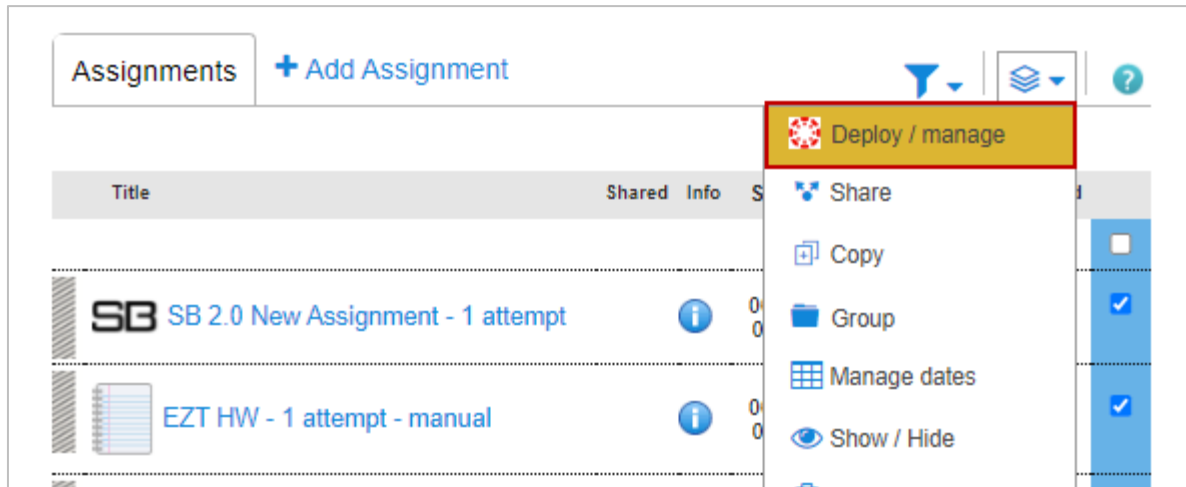

Go to Section Home >

9. Select the assignments you want to deploy.

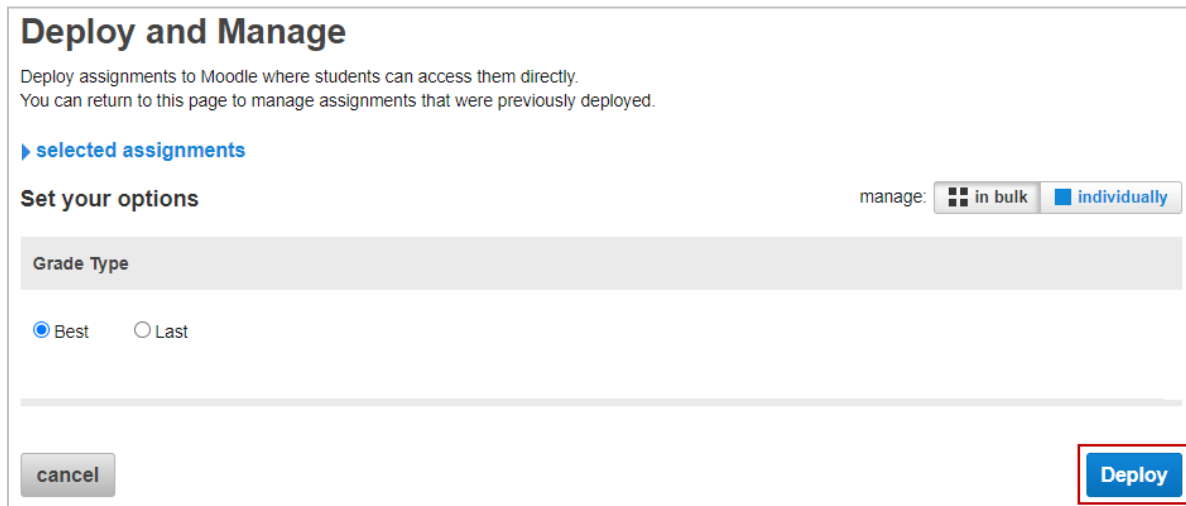

Assignments + Add Assignment

Title	Shared	Info	Start-due	Show/hide	Deployed
SB SB 2.0 New Assignment - 1 attempt		i	06/17/21-06/18/22	👁	<input checked="" type="checkbox"/>
EZT HW - 1 attempt - manual		i	06/17/21-06/18/22	👁	<input checked="" type="checkbox"/>

10. Click the **stack** icon and select **Deploy/manage**.

11. You can set the grade type in bulk or individually. Click the **Deploy** button when done.

12. The assignments that were deployed should show up under the module that you started from and Assignments area in Canvas. Click on the dots to the left of the assignment to rearrange the order as needed and then **Publish** the assignment. A gradebook column is automatically created for each assignment in the course.
